Hello there,

I wonder if you can help me please?

We are often asked by customers for exemption certificates, which I know you do not provide; however, I would be grateful if you could confirm that these are still registered and valid as of 30<sup>th</sup> September 2020? I appreciate that exemptions do not have an expiry date, however when customers ask for info on this, it helps us greatly if we can show their validity on a regular basis

Thanks in advance for your assistance

Cheers
